YORK COUNTY 9-1-1 COMMUNICATIONS

Ida V. Madison, Director

April 10, 2001

RECEIVED

MAY 02 2001

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Mr. Leonard Burns
 PCS One
 227 Granite Run Drive
 Lancaster, PA 17601

Dear Mr. Burns:

This letter is to serve as York County formal request to implement the following wireless 9-1-1 accesses, as defined by FCC Docket 94-102, within the next six months:

Those elements of Phase I required to support a Phase II Implementation

Implementation of a Phase II Wireless 9-1-1 Access

A meeting with Wireless Service Providers is scheduled at 9:00 A.M. on Wednesday, May 9, 2001 to begin the above requested implementation process. This meeting will be held at the York County 9-1-1 Center located at 108 Pleasant Acres Road, York, PA 17402. Please provide me the names and contact information of the staff member that will be representing your company.

This meeting is important for gaining a common understanding between all the parties that will be involved in the implementation process. We expect to discuss such issues as deployment requirements, responsibilities and schedule of events as related to the overall implementation process.

We plan to also have representatives from our local exchange carrier and CPE vendor in attendance at this meeting to review York County's Network and CPE configuration as related to the Phase I and II Implementation.

The County of York is looking forward to working with you to make this a successful implementation. If you have any questions or require additional information regarding this meeting, please E-mail me at ivmadison@ycex01.york-county.org or call (717) 840-2353.

Sincerely,

Ida Madison
